NOTE FOR:

Associate Deputy to the DCI for the  
Intelligence Community

Dear John,

The attached list, which is not in any sense  
or order, allegedly contains the names of supergrades  
who have retired in the last three years. I am giving  
a copy to  also and maybe, at an appropriate  
time, you two can compare possibilities for the Security  
Committee chairmanship.

/s/ John F. Blake
